

# The Eagle Eye

## News and Announcements

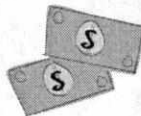

As some of you already may know, the new Eagle Tucson office next door is under construction!

We are nearing completion of the remodeling of our new office and anticipate being up and running over there by the end of August.

We are VERY excited about this change and opportunity for growth for the company!!!

## PAYROLL

Payroll would like to remind you to turn in your trip paks! Make sure you are turning in a trip pak for everything, even if your qualcomm tells you that it is not needed.

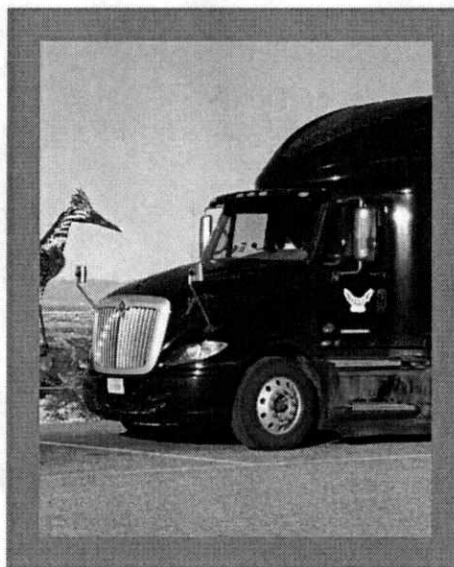

If you have questions on this or any other payroll issues, call the payroll department @ 888-574-4325 and Samantha or Byanka will be happy to help you!

## July-September 2015

## MAINTENANCE ANNOUNCEMENT

All of our trucks will now have the idle set to the recommended parameters of the engine. This is due to **WARRANTY NOT BEING COVERED** when there is excessive idle time on the trucks. This means if the outside air temp is below 25 or above 75 degrees, then the truck will be able to idle using the optimized idle function for the type of truck that you are in. If you are not sure how to operate this, get in touch with Robert (888-574-4325) or Bill (602-278-0207) for further instruction.

## RECRUITING

Don't forget about the recruiting bonuses that are available! Please call us with any potential driver info and you will receive \$15 per lead. If a driver you refer hires on with us, you will receive a \$250 recruiting bonus per driver.

We really appreciate the leads we have been given, keep up the great work and help our company grow!!

If you have any information or questions, please call Andree or Raquel at 888-574-4325!!

## MILLION MILER!!!!

Everyone at Eagle would like to give a BIG congratulations to Charles Irwin, on June 5th he received recognition as a million miler!!

Charlie, we are so proud to call you a part of our Eagle/Truman family!

Thank you so much for all of your hard work and dedication, we appreciate you!
