## **OTR training CBT's**

Here is a list if CBT's ( Computer Based Training ) classes that you will need to complete while you are over the road training. If you do not see them uploaded already please be sure to enroll yourself in the classes. You are able to do so from your app or the website. If you have any questions on enrolling in the classes your trainer as well as your student liaison will be able to help. Your student liaison is Jessica. You can reach her at 520-574-4325. If you have any problem with logging in to your portal please contact Aptech at 1800-951-3039.
