

Driver of the Quarter

Congratulations to Caleb Watkins for being chosen the driver of the quarter! Caleb has been with us for almost 5 years now. He has a great attitude, consistently low idle and his fleet manager also mentioned that he is a great diver. His fleet manager said he often refers to other fleet managers about Caleb. Great job! Keep up the good work!

Spring Tips

With Winter behind us and Spring filling the air, you're most likely looking forward to some warm months ahead. No more icy roads but you still need to be cautious. Here are a few tips to remember:

- *Please keep your truck well-maintained
 - Pay attention to your windshield wipers, brakes, tires
 - *Wildlife becomes more active this season.
- *There may not be anymore icy roads but with the weather change, potholes occur more frequently. Spring season has rain and hail which cause slippery roads and flooding.
 - *Remember to keep a safe distance from the cars ahead of you
- *With the sun coming out, there will be more sunshine and a glare as you drive. Please keep sunglasses by your side .
- *Bugs! Eww! Keep your windshield clean, as more bugs are out during this time.
- *Restock any items you might need, such as : allergy mediciane, food snacks, batteries, emergency supplies.
- *Wind- With the weather change, wind can sometimes be intense during this time. Please be cautious when driving or making turns.
- *Watch out for pedestrians as well. With the weather warming a bit, there will be more activity on the roads such as people going Bicycling and for walks.

Tucson traffic: Orange Grove Interchange to close until 2024

The Orange Grove Road interchange at Interstate 10 will close on Wednesday as crews begin to rebuild and widen the roadway from Ruthrauff to Ina Roads.

2ND PLACE: VICKI COUSINEAU

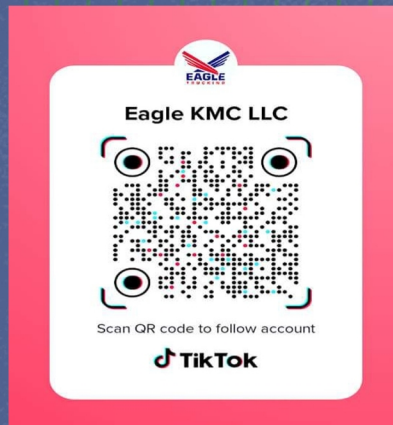

3RD PLACE: TONY YORK

CONGRATULATIONS TO YOU ALL!

1st Place Winner!

Sean has been a fantastic driver. His average miles is currently 9,350 but in February he totaled 11,771 miles. Sean has been producing at a very high level and deserves to be recognized for this. He is always on time and always safe. He communicates when there are any issues or delays and understands how important that is. On top of this, he is very respectful and professional; and treats others with that same respect. Congratulations, Sean!
