CVSA International Roadcheck

This year, International Roadcheck will have two focus areas – tractor protection systems and alcohol and controlled substance possession.

Over the three days of International Roadcheck, inspectors will conduct their routine North American Standard Level I Inspection, which is a thorough 37-step inspection procedure consisting of the examination of vehicle components and driver documentation and requirements.

Now is the time to start getting your fleets ready for roadside inspections.

And speaking of time, don't forget that Sunday, March 12 is the start of Daylight Savings Time. Set your clocks one hour ahead!

Spring Driving Tips

Tips to Give Your Truck a Spring Checkup

They say that April showers bring May flowers, but springtime weather also brings about hail, pollen and increased critter activity. So, before hitting the road, you need to dust off the old seasonal checklist and make sure you're staying safe on the road. With spring weather ahead, be sure to check the following:

Fully Operational Lights:

Clean Wiper Blades:

Good Tire Condition:

Weather Forecast

Replenish and Update Emergency Supplies

As you follow these safety tips, also remember that it's that time of year for another essential maintenance activity: Spring cleaning! Consider refreshing the cab and living quarters of your truck by vacuuming, dusting, and polishing. Not only will it give you a nice clean ride as you enter the new season, but it can also help reduce seasonal allergies.

Tax Day!!

April 15th - taxes are due!

If you have not received your W2, lost it, or need a copy in order to file, please reach out to our payroll department so a copy of your W2 can be mailed to you before the cut off!
